

**SCHOOL
IS COOL!**

Mrs. Fasse, teacher
Week of Sept. 22

Cummings 2nd Grade

Reading

Weekly Story- Lemonade for Sale

Students will read about a group of children who use teamwork, creativity, and math skills to raise funds for fixing up their tree house.

VOCABULARY WORDS

announced melted squeezed

empty poured wrong

Science

We will start a chapter on Exploring Earth's Surface. Some activities will include identifying causes and effects of changes to Earth's surface and describing features of the Earth's surface.

Math

We are finishing Unit 1 on addition and subtraction. The students will have some review and Unit 1 Assessments.

**Picture Day - Thursday,
Sept. 25**

MAP Testing

The students worked hard on the MAP testing. They took the test on lap top computers set up in the fourth grade room. It was challenging but they kept working. They did reading in the morning and math in the afternoon.

Spelling

Long and Short vowels- quick review
be see got she sheep shop

queen been bee he

The test on Friday will be sentence dictation that is scored for spelling, punctuation, and correct use of capital letters.

Grammar/Writing

Our daily Language Activity will included identifying nouns and using commas.

My goal is that the students write every day. The students will prepare a persuasive writing.

Leader of the Day

Monday- Trevor
Tuesday- Leah
Wednesday- Ivan
Thursday-Deni
Friday-Isabel
