Show and Tell

Our theme for show and tell this week is nursery rhymes. Please have your child share with the class on his/her show and tell day.

Reading:

We have started our Animated Alphabet. We have learned the letters and sounds for P, U, and O. The students can now read the words pup and pop.

Math:

We learned the concepts - inside and outside, left and right. We are also practicing the numerals 1 and 2.

Special Projects

The students painted "P's" with purple paint. For snack we made pudding and mixed red and blue food coloring to make our pudding purple. We then made "P's" in our purple pudding!!

Information for Parents:

Please sign the behavior report in your child's red folder and return it on Monday.

We had a fantastic first week of school. Thank you for your help and everything you do!

Have a great weekend!

Mrs. Lanter
